Help us upgrade to a new state-of-the-art audio/video system and new carpet in the balcony

A volunteer committee from our Grace Lutheran Church congregation was formed to look at upgrading our audio/visual system. The existing projector, purchased in 2008, has exceeded its useful life. Replacement parts and bulbs are hard to find. Part of the plan is to also replace the balcony carpet which is in disrepair.

The goal is to upgrade the front screen to two 86" commercial TVs and install upgrades needed to run a higher-quality system.

A very generous anonymous donor pledged \$25,000 toward the project. As often happens, the cost ran more than projected. We have a firm bid for carpet at \$6,500. The two bids for the TV system upgrades (which include a camera, three TVs, wiring, installation, and training) were near \$22,000. Additionally, a new computer and monitors are needed to run the system.

TV package, computer, monitors, and electrical \$27,500

Carpet for the balcony \$ 6,500

Total cost of project \$34,000

Minus donation \$25,000

Shortfall \$9,000

How can you help? Could you sponsor part of the project?

Would you consider a gift in memory of or in honor of someone?

1. Sponsor one quarter (1/4 for \$400) or one half (1/2 for \$800) of a commercial grade TV that each cost \$1,600. (need three total).
2. Sponsor five carpet square tiles for a total of \$250.
3. Sponsor the new computer for \$2,000.
4. Sponsor one of the three computer monitors at \$200 each.
5. Sponsor the electrical portion for \$1,500.

With these upgrades, Grace will move into the future and enhance our worship experience. Benefits include a much clearer resolution on the TV with minimal glare plus a clear sight of the mural. Companies today require a deposit to hold the bid, so please consider investing in our church with a timely donation. Checks with a designation to the audio-visual/carpet fund can be made to Grace Lutheran and given to Keri in the office.

Committee members that can help with any questions:

Christian Kotab, Tim Patmore, Tim Potts, or Brandon Caneva.
